TUTORIAL EXAMPLE

Tutorial cover

This cover will be the first page of the merged document.

Add guide-input.pdf after this file to create a four-page PDF.

This is a synthetic example created for OPTPDF tutorials.

SELECTABLE TEXT

This sample contains simple text and vector shapes.

TUTORIAL EXAMPLE

Project overview

A simple document for trying browser-based PDF tools.

Sample marker: PROJECT-OVERVIEW-001

The text on this page is selectable. No personal data is included.

SELECTABLE TEXT

This sample contains simple text and vector shapes.

TUTORIAL EXAMPLE

Weekly plan

Monday: prepare the document.

Wednesday: review the pages.

Friday: download and check the result.

Sample marker: WEEKLY-PLAN-002

SELECTABLE TEXT

This sample contains simple text and vector shapes.

TUTORIAL EXAMPLE

Summary

Three original pages, ready to merge, split or convert.

Try selecting pages 1,3 to make two separate one-page files.

Sample marker: SUMMARY-003

PDF-to-Word extracts text only; it does not rebuild this layout.
